The Cary Christmas Store is a partnership of First Cary UMC, Pride 4 Parents Wake/The Encouraging Place, and Prison Fellowship Angel Tree dedicated to bringing the joys of Christmas to children in our community.

Strengthening bonds, supporting families

Prison Fellowship Angel Tree tm is a long-time ministry at First Cary UMC that helps support the relationship between incarcerated parents and their children.

Angel Tree enables local congregations to extend the hope of the Gospel by delivering Christmas Gifts on behalf of incarcerated parents. Just as important, this ministry invites Angel Tree families to join into a local church life.

A hand up, not a hand out

Originally founded in inner-city Atlanta in 1976, *Pride 4 Parents*, allows parents on a tight budget to find toys and gifts for their children without feeling like charity cases. Since then, the program has expanded to other cities including Raleigh.

Pride 4 Parents stores invite struggling parents to come and shop for new toys and gifts that are marked as low as 70% off retail.

This will be the second year that First Cary UMC has hosted this sale.
